

20/20 COMPANIES SELECTS TONY JOHNSON AS VICE PRESIDENT

Tasked to Head New Project Management Department

FORT WORTH, TX – June 15, 2010 -- 20/20 Companies, one of the country's largest direct sales force and management solution providers, today announced it has hired Tony Johnson as Vice President, Project Management. Johnson has been tasked to head 20/20 Companies' new project management department including managing critical cross-functional projects.

“Our sustained level of growth demands this new position and we are pleased to have Tony Johnson join our executive team to help drive our projects and keep them in alignment with strategic objectives,” said Steve Zink, EVP Finance and Operations, 20/20 Companies. “Tony not only brings a wealth of knowledge and experience but also has a strong history of success in implementing multi-faceted projects. We look forward to the additional expertise that he brings to the company.”

Before joining the 20/20 Companies team, Johnson was tasked with implementing new technologies that increased productivity and overall valuation, while serving as CIO at a variety of companies including: Schiff Nutrition, Leiner Health Products and Adam Nutrition.

“20/20 Companies has a significant track record of incredible growth, is the leader in its category and has a dynamic, engaged management team,” said Johnson. “I am thrilled to have the opportunity to lead the new project management department and work tirelessly to facilitate additional revenue opportunities.”

Johnson's areas of expertise are technology and business systems, project management, process engineering, applications, consulting, training and system development.
